Moyston Primary School

NEWSLETTER No. 240 16th November 2018

Moyston Primary School aims to develop in our students a purpose of belonging and an understanding of the importance of taking responsibility for their own learning. This is to take place in a caring learning environment that engages students to work towards achieving their personal best in an atmosphere of mutual respect and cooperation, and assisting them to become valued members of the community.

This week we were lucky enough to have a boat donated to the school thanks to Carolynne Smith and Greg Driscoll! The boat will be painted and placed permanently in the school yard for the students to enjoy!
