Moyston Primary School aims to develop in our students a purpose of belonging and an understanding of the importance of taking responsibility for their own learning. This is to take place in a caring learning environment that engages students to work towards achieving their personal best in an atmosphere of mutual respect and cooperation, and assisting them to become valued members of the community.

MAROONA CLUSTER DAY

Last Friday was our Cluster day held at Maroona Primary School. The students participated in sessions held by the Royal Flying Doctors Service. There was a simulated plane to allow the children to see and learn first hand how this service operates. The students had a fantastic day with the Maroona and Buangor children.
