Moyston Primary School aims to develop in our students a purpose of belonging and an understanding of the importance of taking responsibility for their own learning. This is to take place in a caring learning environment that engages students to work towards achieving their personal best in an atmosphere of mutual respect and cooperation, and assisting them to become valued members of the community.

We have had a great start to the school year. The school currently has 25 students enrolled for 2015. We are looking forward to some exciting changes in the coming weeks around the school. Our new kitchen and art room in the portable will be completed and ready for use. We will also be installing a noughts and crosses board in the yard, as well as adding giant chess pieces to our outdoor board.
