Moyston Primary School aims to develop in our students a purpose of belonging and an understanding of the importance of taking responsibility for their own learning. This is to take place in a caring learning environment that engages students to work towards achieving their personal best in an atmosphere of mutual respect and cooperation, and assisting them to become valued members of the community.

Our students have been having a great time this week at school playing chess on our new giant chess board at recess and lunchtime. A Noughts and Crosses board will be delivered soon to add more fun to the games area of the school yard.
