Moyston Primary School aims to develop in our students a purpose of belonging and an understanding of the importance of taking responsibility for their own learning. This is to take place in a caring learning environment that engages students to work towards achieving their personal best in an atmosphere of mutual respect and cooperation, and assisting them to become valued members of the community.

SOVEREIGN HILL CAMP

Last week, our Grade 5 & 6 students attended a camp at Sovereign Hill with Maroona and Buangor. The students had a fantastic time, dressing up and participating in activities which re-create Ballarat’s first ten years after the discovery of gold in 1851. A time when thousands of international adventurers rushed to Australian goldfields in search of fortune!

Our Grade 5 & 6 students certainly looked the part during their time at Sovereign Hill last week!
During their time at Sovereign Hill, our students attended the Ragged School. This school was a charity school providing basic education for orphans and children of the poor on the goldfields. Our students dressed in 19th century style clothing and used classrooms and equipment typical of the era.

In the evening we had lots of fun at the movies, followed by chips dipped in ice-cream for dessert at Maccas!
As an end of term treat for the students, we will be joining Maroona PS for a special viewing of “Shaun the Sheep” at the Astor Cinema in Ararat at 10am TOMORROW.

Students will be travelling in private cars. After the movie we will be walking to the Gardens for lunch. Students will need to bring their own lunch, drinks, snacks, bathers and towel.

After lunch we will be walking to the YMCA for a swim. Students will need to be collected from the YMCA at 2pm.

FULL SCHOOL UNIFORM PLEASE
The students have created some impressive art work this term, with the focus on ANZACS.

Easter art
A huge thank you to Libby Harris for all of the hours she has put into the portable this week! Today the painting has started and the room is looking fantastic!

Thank you also to Gareth Watts who helped fix the floor, level the portable and also very kindly donated some paint to the school.

This week the school received a lovely certificate of appreciation from the Blaze Aid volunteers. This was for our help with ‘generously supplying meals and supporting Moyston’s recovery after the January 2015 fires.’
The senior students hid Easter eggs and chocolates for the junior students to find at recess!
HAPPY EASTER!

The children created maps of the school grounds to ensure that no eggs were lost!
