Moyston Primary School aims to develop in our students a purpose of belonging and an understanding of the importance of taking responsibility for their own learning. This is to take place in a caring learning environment that engages students to work towards achieving their personal best in an atmosphere of mutual respect and cooperation, and assisting them to become valued members of the community.

Today we were lucky enough to be visited by local cyclist Alice Culling. Alice rides for the Victoria team and will be competing in the individual pursuit at next year’s cycling Australia Junior Track National Championships. The Ararat Cycling Club is holding an open day at the Ararat Velodrome on 7th November at 1pm.

SPRING GARDEN

Our School Garden is looking amazing thanks to our parent helpers. Our school families have been working very hard maintaining, weeding and watering the garden to help provide fresh vegetables for our cooking classes and Community Dinners.

Thank you!
STUDENT FUNDRAISING

Building on their profit from the Father’s Day stall, our students have come up with some extra money raising ideas. They have identified that they would like to spend all money raised on building a new fort for the school yard after the old one had to be pulled down for safety reasons.

Five cent challenge

Our students are asking for donations of your 5c coins. They will be collecting coins at our upcoming Community Dinner on Friday 6th November at 6pm.

We will also have a collection jar in the school office.
Car wash

Our Student Leadership team will also be offering a car wash service to raise money. More details will be available soon.
