Moyston Primary School

NEWSLETTER No. 178 9th December 2015

Moyston Primary School aims to develop in our students a purpose of belonging and an understanding of the importance of taking responsibility for their own learning. This is to take place in a caring learning environment that engages students to work towards achieving their personal best in an atmosphere of mutual respect and cooperation, and assisting them to become valued members of the community.

We will be farewelling Jaymason, Aiden, Jonah and April at our end of year break up tomorrow night. In our new kitchen/art room, we are creating a timeline of all of our Moyston PS graduates as a representation of their time with us. Today, our current grade 6’s left their names on the art room bench.

Student performances, Grade 6 Graduation and speeches will be taking place at the Moyston Hall from 5pm tomorrow night. We will then come to the school for dinner, carols and Santa! We hope to see lots of school families and friends in attendance to wish our students the best and celebrate another wonderful year at Moyston PS!

LOTE

Last week’s Chinese lesson consisted of learning to write calligraphy using special Chinese paper and water.

It was very hard to hold the brushes in a different way to how we hold a pencil!
