SCHOOL ATTENDANCE

From March 1st 2014, the Education Department has procedures in place to support amendments to the *Education & Training Reform Act 2006* in relation to the enforcement of compulsory school enrolment and attendance.

Where a student has been absent from school on at least five full days in the previous 12 months, the parent has not provided a reasonable excuse for these absences and measures to improve the student's attendance have been undertaken & been unsuccessful, or are inappropriate in the circumstances, principles can exercise their discretion to refer the matter to a School Attendance Officer for further action. These officers can then issue a School Attendance Notice to the parent giving the opportunity to provide a reasonable excuse for the absences or, where necessary, nominate the parent responsible for the absences. Failure to comply with this Notice may result in the issue of an Infringement Notice, which carries with it a penalty of approximately \$70.

RECYCLING OLD TECHNOLOGY DEVICES

Ararat Telstra Shop will donate \$2 per old mobiles phone to our school. As the phones collected of the past couple of years have never been picked up, we are going to dispose of them through Telstra. Other types of devices that can be recycled through Ararat Telstra are iPods/iPads, laptops, tablets, dongles, old computer hard drives, wall/car chargers, old digital cameras.
