PARENT OPINION SURVEY

Each school family had a Parent Opinion Survey attached to their newsletter last week.

The survey is designed to take **no more than 20 minutes** to complete and your feedback and opinions play an important role in making our school the best it can possibly be.

Please be assured that your responses are completely confidential. The survey is conducted anonymously and it is important to us that you complete the survey as honestly as possible.

Once completed, please seal your survey in the envelope provided and write your child's name on the back of the envelope. Your child's name will only be used to record that you have returned the survey. **The sealed envelope will not be opened by the school** but will be sent to an independent organisation for collation and reporting.

The results will be shared with parents via School Council later in the year. Please return your completed survey to school by **Friday 1st August 2014**.

Thank you for taking the time to participate, your assistance is greatly appreciated. Please do not hesitate to contact Anthony if you have any questions or queries.

There are no out of pocket expenses to families for EGHS dental services including treatment conducted after the \$1000 is expended.

Please support local dental services to ensure viability of the service in Ararat long term. Accessing local services also provides continuity of dental care for children as EGHS offer long term follow up.
