Moyston Primary School aims to develop in our students a purpose of belonging and an understanding of the importance of taking responsibility for their own learning. This is to take place in a caring learning environment that engages students to work towards achieving their personal best in an atmosphere of mutual respect and cooperation, and assisting them to become valued members of the community.

Moyston Primary school would like to welcome Jane, Lisa and Jim, our guests visiting from Shanghai, China.

We have had a fantastic week hosting our visitors in our classrooms. The children have really enjoyed immersing themselves in the Chinese culture. Jane and Lisa have been showing our students the Chinese language, writing, origami and kite decorating. Jim has been participating in class with the Grade 3-6 students which has been a great experience for both Jim and our children.
