Moyston Primary School aims to develop in our students a purpose of belonging and an understanding of the importance of taking responsibility for their own learning. This is to take place in a caring learning environment that engages students to work towards achieving their personal best in an atmosphere of mutual respect and cooperation, and assisting them to become valued members of the community.

The staff and students of Moyston Primary School would like to thank our Chinese visitors Jane, Lisa and Jim for being a part of our school for the last 2 weeks.

The children have had a wonderful time and learnt a lot about China.

We would also like to thank our Student Teacher Natalie Dowsett for all of her hard work during her placement.

SCHOOL UPGRADES

As part of the sustainability grant we received last year, our new self closing doors have been installed! The refurbishing of the portable is starting to take shape as we have received the ovens, dishwasher, cooktops and taps from REECE.

On Tuesday we did cooking with Jane and Lisa. Georgia and I chopped up the vegetables after Jackson, Jake and Aiden washed them. After us girls did the chopping, Jane gave us a massage, it was good! When we were called back in to shape them, I made 3 dumplings and 6 wonton. It took a while to get the wontons right. For lunch we had 3 of each. It was the best ever, I could have eaten one hundred!

- April

In class Mum gave, we make Chinese food. We took some Chinese food picture and we now make the dumpling. We are happy, first we wash the vegetable, next we cut vegetable then we make the dumpling. Finally my mum cook dumpling. Afternoon we eat dumpling, no people say dumpling isn't nice. We like dumpling.

Today we made dumplings and wontons with Jane and Lisa. Firstly we cleaned and cut the vegetables. We then made the inside of the dumplings and wontons then we put them together and ate them for lunch. They tasted very nice and I would certainly eat them again.— **Jacko**
