Moyston Primary School aims to develop in our students a purpose of belonging and an understanding of the importance of taking responsibility for their own learning. This is to take place in a caring learning environment that engages students to work towards achieving their personal best in an atmosphere of mutual respect and cooperation, and assisting them to become valued members of the community.

In celebration of Principal's day today, the Moyston PS school parents provided the staff and students of our Cluster day with a plate of cakes and sweets to enjoy. Thank you to Mr Cain for being a wonderful Principal!

POMONAL CATERING

What a big day we had yesterday for our Pomonal Catering event. Thank you to the Biodiversity Group for providing us with this fundraising opportunity. The day was a fantastic success and ran very smoothly. A huge thank you must go to Lydia Jackson for organising and coordinating the day with the support of Libby Harris and Kelly McKinnon. Thank you also to Grace Gillion and friends for waitressing for us. Grace is a Golden Gateway Queen entrant who is raising money for Ararat Breast Cancer.

Thank you to all of our school families for their support for our Pomonal fundraising event yesterday. We would also like to thank our extended school community for their support with baking —Carol Jackson, Barb Wilde, Amelia Guinane, Janice Woods, Marg Cain, Ann Marshall and everyone else who helped. We couldn't have done it without you!

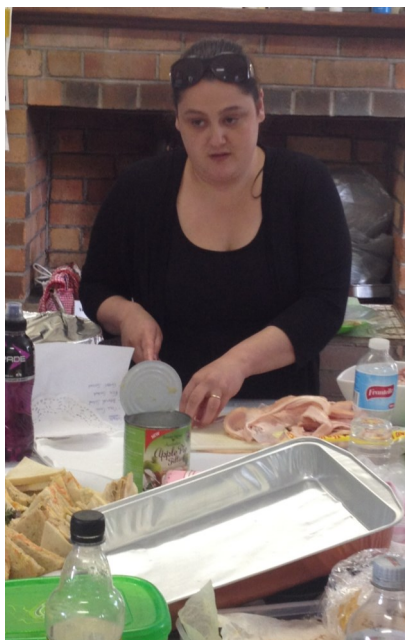

Thank you also to our BBQ chefs Doug, Anthony and Carol.

Thank you to all of our fantastic helpers yesterday! Libby, Dee, Jill, Lydia, Bedrie, Kelly, Deb, Nadine, Zaiga and our waiting staff led by Grace!

Some of the delicious food we served yesterday at Pomonal!

CLUSTER DAY TODAY

Today we hosted a Cluster day here at Moyston with Maroona and Buangor Primary Schools. The students were entertained by Sean Dewar. Sean comes from the Yindinji Kimoy clan of Northern Queensland and his totem is Gindaja meaning cassowary. Sean has been studying the culture from his elders since he was sixteen years old. He has performed all over Australia, and has toured extensively internationally throughout Europe, Japan, Taiwan and the Pacific (including performing for Queen Elizabeth and Prince Phillip).

COOKING!

Last week the Grade 3-6 students enjoyed making vegetable Spring Rolls with Miss Ryan. The children cooked with Chinese seasonal vegetables from our school garden planted with Mrs White.

YUM!
