

Moyston Primary School aims to develop in our students a purpose of belonging and an understanding of the importance of taking responsibility for their own learning. This is to take place in a caring learning environment that engages students to work towards achieving their personal best in an atmosphere of mutual respect and cooperation, and assisting them to become valued members of the community.

**Lydia, Ross, Eva, Jill, Kelly  
and Gareth enjoying the  
BMX track after the  
Working Bee!**

Last Friday we had a brown snake in the schoolyard at lunch time. The students went into a lockdown situation where they were kept inside the main building. All students should be very proud of themselves for following our school procedures. The children were informed about the snake and were told to be extra careful. A big thanks must go to everyone who turned up for a Working Bee at very short notice to clear up the school yard and Bosworth Park after school last Friday. A bit of fun was had on the BMX track by the parents after the Working Bee!
