No. 155

21st May 2015

Moyston Primary School aims to develop in our students a purpose of belonging and an understanding of the importance of taking responsibility for their own learning. This is to take place in a caring learning environment that engages students to work towards achieving their personal best in an atmosphere of mutual respect and cooperation, and assisting them to become valued members of the community.

Congratulations to Brayden and Zac who were both presented with 'Sportsmanship Awards' today. These awards are presented each year to students who show great persistence, resilience and overall good sportsmanship at our M&DSSA School Sports. Well done!
