

# Moyston Primary School

NEWSLETTER

No. 165

27th August 2015

Moyston Primary School aims to develop in our students a purpose of belonging and an understanding of the importance of taking responsibility for their own learning. This is to take place in a caring learning environment that engages students to work towards achieving their personal best in an atmosphere of mutual respect and cooperation, and assisting them to become valued members of the community.

Moyston PS competed in another very successful BMX event in Lilydale last week! Well done to all of our riders and thank you to our parents for travelling so far to allow our students to participate.

## SENIOR ROOM ART

31 August – 6 September 2015

Next week is Literacy and Numeracy week. Our students will get to experience some games and activities from days gone by to compare to modern day technologies.

You may have noticed the new additions to our school. Two concrete tunnels have been installed in the yard. Thank you very much to Rob Marshall for delivering the tunnels, Jack Chetcuti for the installation and the White family for donating them to the school. This is still a work in progress, but the children have been having a great time playing on the tunnels so far!

# WOOLWORTHS EARN AND LEARN

Please keep the stickers coming in for the Woolworths Earn and Learn program. It has been great to see so many coming into the school. Don't forget to remind your friends, family and members of the Moyston Community that shop at Woolworths, to please collect the stickers for Moyston Primary School.

There is a MOYSTON PRIMARY SCHOOL box located at the Ararat Woolworths store. Stickers can also be taken into the school office. In the past, this program has been a great way for the school to receive new books, Lego, games and more!

## SCHOOL COUNCIL

## ***FATHER'S DAY STALL***

Our student leadership team have been working on creating a Father's Day stall for their fellow students. This stall is a learning opportunity for our students, using maths and organisational skills to run their stall in the aim to make a small profit. Any profit made will be put towards student identified needs for the school.

Small gift items have been purchased and will be available for all students to buy as a gifts for Father's day.

**Students will not be allowed to spend any more than \$10.**

Gifts will vary in price, starting from **\$2**. This stall is not compulsory, the students will still be making cards and gifts as we have done in the past.

The FATHER'S DAY STALL will be open tomorrow (28th August) for our Grade **4-5 students ONLY** as they will be attending Woorabinda Camp next week.
