NEWSLETTER

No. 168

18th September

Moyston Primary School aims to develop in our students a purpose of belonging and an understanding of the importance of taking responsibility for their own learning. This is to take place in a caring learning environment that engages students to work towards achieving their personal best in an atmosphere of mutual respect and cooperation, and assisting them to become valued members of the community.

On Wednesday many of our students travelled to Warrnambool for our 3rd BMX event of the season. It was a miserable, wet start to the day which meant that our students had to race on a very muddy and slippery track! They all made the best of the trying conditions and had a great day!

The BMX Final will take place in Bendigo on Friday 9th October (the first week of Term 4.)

BMX FINAL in Bendigo

Transition days for 2016 Prep and Year 7 students are November 20th, 27th and December 8th. Further information will be available soon.

On Tuesday our students enjoyed an action packed day of activities with Pomonal PS. Students spent the day participating in BMX, art lessons, drama classes and a visit from Author Susie Sarah.

CLUSTER DAY

Last Friday we travelled to Maroona Primary School for our September Cluster day with Buangor and Maroona Primary Schools.

Unfortunately, the planned reptile show was cancelled due to illness but the students all had lots of fun participating in a footy day!

Warrnambool BMX!

The school has some excess bikes that we would like to clear.

If you are interested in any of these bikes, please see Anthony.
