Moyston Primary School

NEWSLETTER No. 177 3rd December 2015

Moyston Primary School aims to develop in our students a purpose of belonging and an understanding of the importance of taking responsibility for their own learning. This is to take place in a caring learning environment that engages students to work towards achieving their personal best in an atmosphere of mutual respect and cooperation, and assisting them to become valued members of the community.

Preparations are well underway for our end of year break up next Thursday. Students have been rehearsing, organising costumes and creating props for their performance at the Moyston Hall which will then be followed by dinner, carols and a visit from Santa at the school!
