NEWSLETTER

No. 187

2nd June 2016

Moyston Primary School aims to develop in our students a purpose of belonging and an understanding of the importance of taking responsibility for their own learning. This is to take place in a caring learning environment that engages students to work towards achieving their personal best in an atmosphere of mutual respect and cooperation, and assisting them to become valued members of the community.

BENDIGO

Once again, we will be entering the VSCC in the BMX division. After winning the overall aggregate for the Champion School for the last 3 years, we are once again looking forward to defending this title.

Students are keen to get out on our BMX track to start practising. BMX is a great way to get fit, have fun and develop coordination and resilience.

This is not a compulsory activity. School will run as normal for those students not wishing to compete in the BMX events. Families are most welcome to attend the events to support our school.

For students to participate at the racing, a parent or guardian will need to be present due to the nature of this sport.

Further information will be made available closer to the events.

BLACK RANGES FOOTBALL AND NETBALL

Last week, some of our senior students joined with students from Buangor and Maroona Primary school to compete in the Black Ranges Football and Netball competition in Stawell. All students had a great day showing fantastic enthusiasm and teamwork.

Football results—1 win, 1 draw and 2 losses.

Netball results—2 wins, 1 draw and 1 loss

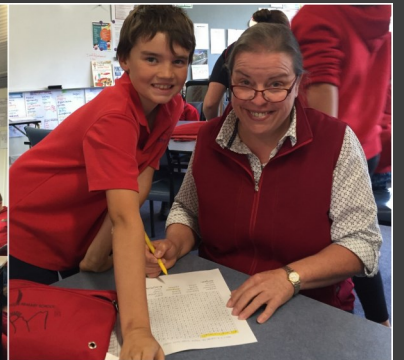

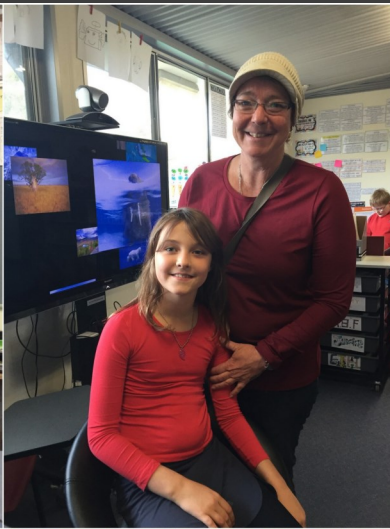

Top ten tips for parents “Educating – Protecting – Empowering”

- 1** Create an ‘Acceptable Use Agreement’ for your families. Ensure that children are involved with this process.
- 2** Set up safe search and security controls with a platform such as ‘OpenDNS’.
- 3** Insist on all computers, laptops and mobile devices remaining OUTSIDE the bedroom.
- 4** Lights out = wifi off.
- 5** Recharge mobile phones and devices outside bedrooms at night.
- 6** Get involved – show an interest in what your child is doing online.
- 7** Talk to your child’s teacher/s and school.
- 8** Don’t threaten to take away your child’s devices – they may force them to become secretive.
- 9** Learn how various social network services work.
- 10** Tell children not to respond to any cyberbullying threats or comments online. However, do not delete any of the messages – keep records to verify and prove there is cyberbullying.

PARENTS AND GRANDPARENTS DAY

It was great to see a fantastic turn out of family members for our Parents and Grandparents day at school recently. Students proudly showed off their classrooms and school work, as well as getting their families to join in various games and activities. The day concluded with a delicious morning tea cooked by our students.

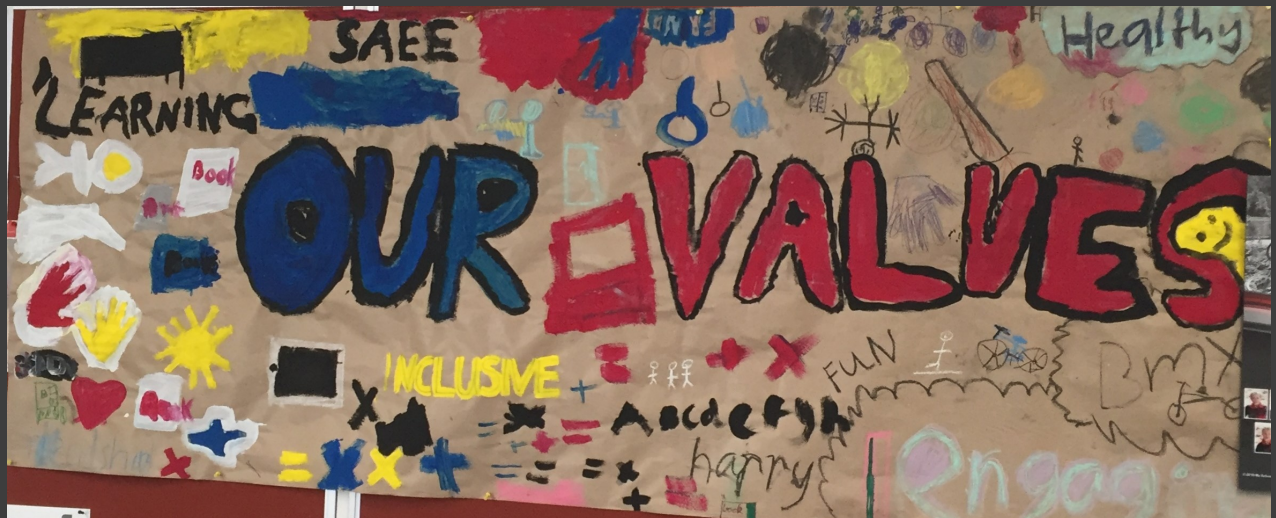

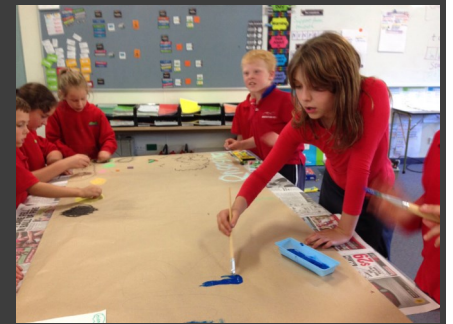

ART — WHOLE SCHOOL PROJECT

Students have been working as a team to produce a poster on our School Values and what School means to them.

ABC Reading Eggs is a program we use to support children learning to read in a fun and interactive online environment. This program supports children from as young as 3 years, up to 13 years of age.

Well done to Karla, Amellia, Cody, Mark, Owen and Harlan who all received Reading Eggs awards recently.
Keep up the great work!

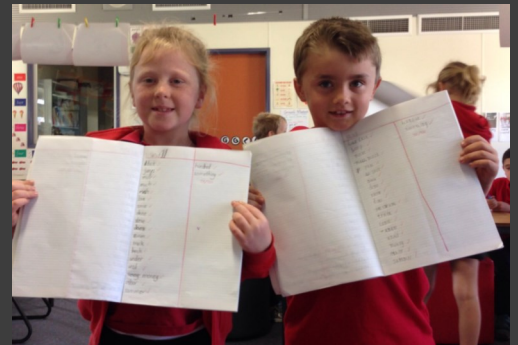

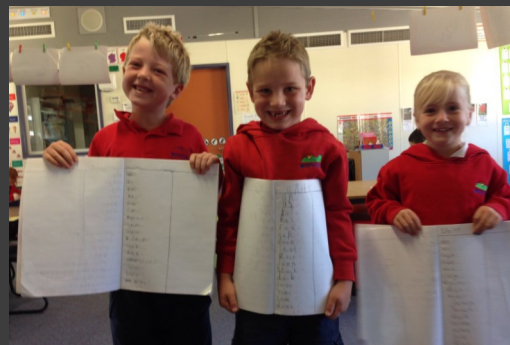

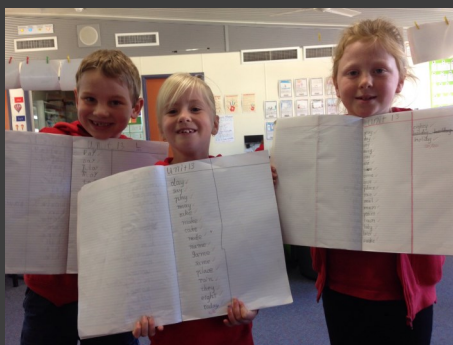

IXL is a web based program which targets Maths for all grades from Kindergarten to Year 12.

Congratulations to Adelia, Brayden, Lily, Emily and Trinity who were awarded with IXL certificates this week.
Well done!

SPELLING CHAMPIONS

Well done Henry, Adelia, Lily, Rhys and Mark!

SCHOOL FUNDRAISING

Friday 3rd June JUNE COMMUNITY DINNER

All families are invited to “Chop up” at the oval tomorrow (Friday 3rd June) from 9am.

Helpers are also need to assist with the running of the dinner tomorrow night selling tickets at the door, serving, cleaning up etc.

Please see Libby or Lydia if you have any questions.

Any help is greatly appreciated.

Sunday 12th June ENDURANCE HORSE RIDE DINNER

Over the past few years, Moyston Primary School have cooked a meal for the Endurance horse riders. This meal is a great fundraiser for the school as well as supporting a fantastic local event.

The meal this year will be held on Sunday 12th June. This meal is a little different to Community Dinners as the horse riders filter in to the oval over the evening ready for their meal.

- **“Chop Up” for this meal will be on Sunday morning (12th June) in the school portable from 9am.**
- **Students will be baking slices at school but we are also after donations of biscuits or other sweets to make ‘dessert platters’.**

Helpers are also needed on the Sunday night, if you are able to help in any way, please see Kelly.

GRASSROOTS FOOTBALL CERTIFICATE (SOCCER)

FREE! Sunday 26th June 10am—1pm at Alexandra Oval Ararat.

This course is open to teachers, parents or anyone within your school community that would be interested in coaching soccer.

The course itself is designed to teach participants the basics of coaching soccer to primary school aged children. It is entirely practical, there is no assessment and it is free of charge to participate.

“Discovery phase”

For coaches training 5-9 year old players

The 3 hour course is fully practical and encourages the coach to develop practices that are based on FUN. The emphasis is on natural development i.e. learning by PLAYING football. No coaching but organising FUN football exercises is the key to helping players build a love for the game. Another highlight of the course is that the coaches are exposed to basic rules of the game as well as tips and hints on building a football culture in a completely practical setting.
