No. 188

16th June 2016

Moyston Primary School aims to develop in our students a purpose of belonging and an understanding of the importance of taking responsibility for their own learning. This is to take place in a caring learning environment that engages students to work towards achieving their personal best in an atmosphere of mutual respect and cooperation, and assisting them to become valued members of the community.

NEW UNIFORM!

Our students are very happy with our new Moyston PS polo shirts!

We are moving away from red and navy as our school colours and changing to red and black.

FUNDRAISING

Our fundraising committee and school parents have had a busy few weeks!

Our June Community Dinner was held on 3rd June. There was a great turn out of Moyston locals for our 'Chicken Parma' night.

Thank you to Libby and Lydia for co-ordinating this dinner and to all of the parents helpers who assisted with the preparation and running of the evening.

This dinner made a profit of \$950!

Over the long weekend our school also hosted a dinner for the Endurance Horse riders at the Moyston Pavilion on Sunday night.

The very cold and tired horse riders were grateful for a hot dinner after riding all day and night.

Thankyou to our students and parents for baking sweets for the dessert platters.
Thank you to all of our helpers on the night.

Approximate profit from this dinner was \$665!

Good morning greeting with Tanith during Chinese.

SCHOOL GARDEN

Our Senior students spent some time recently in our school garden weeding and cleaning up. The garden has been thriving this year.

90% of the vegetable served at our June Community Meal dinner came from our school garden. A big thank you to all of the parent helpers who have helped make the garden such a success this year.

Happy 3rd Birthday to Grip!

Anthony's dog Grip is a regular visitor to the school. The students love having him around in and out of the classroom. He has a very positive influence on some of our students. Last week they helped him celebrate his 3rd birthday!

This is not a compulsory activity. School will run as normal for those students not wishing to compete in the BMX events. Families are most welcome to attend the events to support our school.

For students to participate at the racing, a parent or guardian will need to be present due to the nature of this sport.

CLUSTER DAY AT BUANGOR

Students had a great time at our recent Cluster Day at Buangor Primary School.

The kids had lots of fun playing 'Minute to Win It' games followed by some Hip Hop Dancing.

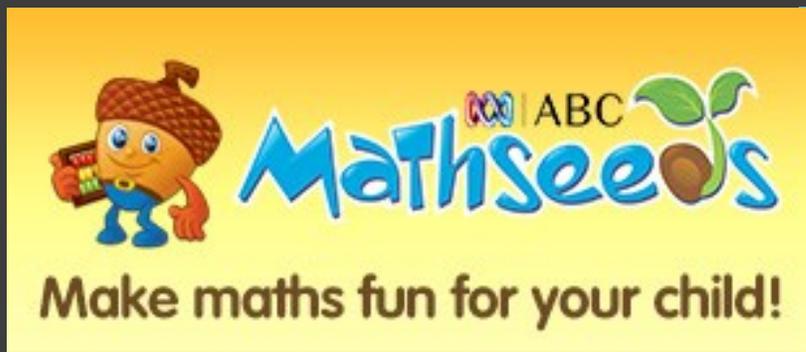

ART

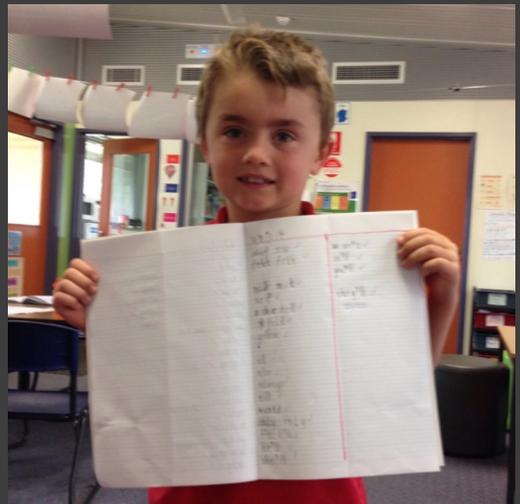

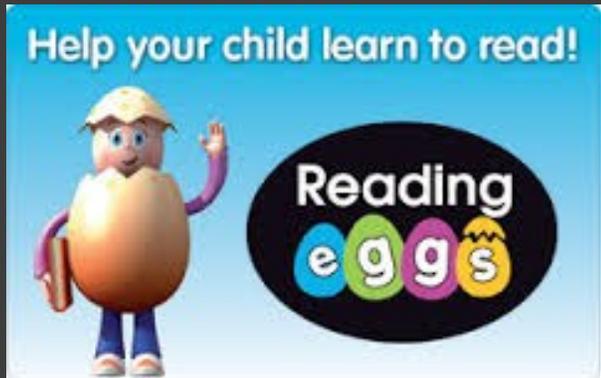

Our Junior room students have been enjoying a trial period of the Mathseeds online program. ABC Mathseeds teaches kids aged 3-8 the core maths and problem solving skills needed to be successful at school.

GRASSROOTS FOOTBALL CERTIFICATE (SOCCER)

FREE! Sunday 26th June 10am—1pm at Alexandra Oval Ararat.

This course is open to teachers, parents or anyone within your school community that would be interested in coaching soccer.

The course itself is designed to teach participants the basics of coaching soccer to primary school aged children. It is entirely practical, there is no assessment and it is free of charge to participate.

“Discovery phase”

For coaches training 5-9 year old players

The 3 hour course is fully practical and encourages the coach to develop practices that are based on FUN. The emphasis is on natural development i.e. learning by PLAYING football. No coaching but organising FUN football exercises is the key to helping players build a love for the game. Another highlight of the course is that the coaches are exposed to basic rules of the game as well as tips and hints on building a football culture in a completely practical setting.
