No. 189

14th July 2016

Moyston Primary School aims to develop in our students a purpose of belonging and an understanding of the importance of taking responsibility for their own learning. This is to take place in a caring learning environment that engages students to work towards achieving their personal best in an atmosphere of mutual respect and cooperation, and assisting them to become valued members of the community.

At the end of Term 2, the students had very muddy and fun adventure riding to and from our tree plant out with Moyston Landcare! The cold weather didn't deter our keen bike riders who happily rode through every puddle they could find!

FUNDRAISING

During the holidays, the school hosted a BBQ and cake stall at the election polling booth at the Moyston Hall. Voters enjoyed having a hot sausage and browsing the cake stall.

Thank you to our fundraising committee and everyone who donated items and their time.
The day was a huge success with the school making a profit of \$488!

SCIENCE FAIR!

On the last day of Term 2, we hosted a Science Fair at school.

The senior students proudly demonstrated and discussed their science projects with parents and the junior students.

Projects were made from a variety of recycled materials.

The Science Fair was followed by McDonalds for lunch to celebrate the end of term.

TREE PLANTING DAY

During the last week of Term 2, our students planted trees in Block Road Moyston with the Moyston Landcare Group.

The wet weather and muddy conditions proved to be lots of fun for the students! We managed to plant over 300 trees very quickly!

After the trees were planted, the students explored the property, helping to feed the pigs and the ducks.

Moyston Landcare Group then provided a BBQ lunch for the students, staff and parent helpers.

THE COUNTDOWN IS ON!
