

Moyston Primary School

NEWSLETTER No. 204 16th March 2017

Moyston Primary School aims to develop in our students a purpose of belonging and an understanding of the importance of taking responsibility for their own learning. This is to take place in a caring learning environment that engages students to work towards achieving their personal best in an atmosphere of mutual respect and cooperation, and assisting them to become valued members of the community.

The latest STEM (Science, Technology, Engineering & Mathematics) challenge in the Junior room was to make 2D shapes using marshmallows and toothpicks!

PITCH MUSIC & ARTS FESTIVAL

A huge thank you to everyone who helped with our Moyston Willaura Community BBQ at the Pitch Festival! Volunteers from Moyston Primary School, Moyston Willaura Football and Netball Club, Moyston CFA and Willaura Primary School ran the BBQ from Friday lunch until Tuesday afternoon. The BBQ opened at 7am and closed around 10pm each day so it was a massive effort by all of the volunteers!

The school also provided lunch to the set up crews last week and we have been making lunches for the pack up crews this week.

This has been an awesome fundraiser for the school, we should know our fundraising profit next week!
