

# Moyston Primary School

NEWSLETTER No. 216 14th September 2017

Moyston Primary School aims to develop in our students a purpose of belonging and an understanding of the importance of taking responsibility for their own learning. This is to take place in a caring learning environment that engages students to work towards achieving their personal best in an atmosphere of mutual respect and cooperation, and assisting them to become valued members of the community.

Today we were joined by students from Pomonal Primary School.

The kids had a great day working on Art projects, STEM activities and some BMX practise!

Moyston PS will be competing at the VSCC BMX event in Warrnambool next Saturday 23rd 74September.
