

# Moyston Primary School

NEWSLETTER No. 217 12th October 2017

Moyston Primary School aims to develop in our students a purpose of belonging and an understanding of the importance of taking responsibility for their own learning. This is to take place in a caring learning environment that engages students to work towards achieving their personal best in an atmosphere of mutual respect and cooperation, and assisting them to become valued members of the community.

Welcome back to Moyston PS for Term 4!

On the first day of the recent school holidays, we had a great turn out of students competing for Moyston PS at the VSCC BMX event in Warrnambool!

All students had a great day with many taking home medals for their performances on the track. Well done to everyone who participated and we are looking forward to the State Final in Bendigo next week!
