

# Moyston Primary School

NEWSLETTER No. 221 24th November 2017

Moyston Primary School aims to develop in our students a purpose of belonging and an understanding of the importance of taking responsibility for their own learning. This is to take place in a caring learning environment that engages students to work towards achieving their personal best in an atmosphere of mutual respect and cooperation, and assisting them to become valued members of the community.

What a very busy week our students have had this week!

Our Grade 3-6 students have spent the week in Warrnambool at camp, and our Prep-2 students had an excursion to Ballarat and a school sleepover!
