

Moyston Primary School

NEWSLETTER No. 245 7th March 2019

Moyston Primary School aims to develop in our students a purpose of belonging and an understanding of the importance of taking responsibility for their own learning. This is to take place in a caring learning environment that engages students to work towards achieving their personal best in an atmosphere of mutual respect and cooperation, and assisting them to become valued members of the community.

On Monday our students participated in Clean Up Australia Day. Thank you to Madeleine Townsend for arranging the morning where our students helped to clean up the Moyston Recreation Reserve.
