THE EDUCATION STATE

SCHOOL

WHY DO WE COLLECT THIS INFORMATION?

Our school collects information about students and their families when necessary to:

- educate students
- support students' social and emotional wellbeing, and health
- fulfil legal requirements, including to:
  - take reasonable steps to reduce the risk of reasonably foreseeable harm to students, staff and visitors (duty of care)
  - make reasonable adjustments for students with disabilities (anti-discrimination law)
  - provide a safe and secure workplace (occupational health and safety law)
- enable our school to:
  - communicate with parents about students' schooling matters and celebrate the efforts and achievements of students
  - maintain the good order and management of our school

  - fulfil statutory functions and duties
  - plan, fund, monitor, regulate and evaluate the Department's policies, services and functions
  - comply with reporting requirements
  - investigate incidents in schools and/or respond to any legal claims against the Department, including any of its schools.

WHEN DO WE USE OR DISCLOSE INFORMATION?

Our school uses or discloses information consistent with Victorian privacy law, as follows:

VICTORIA State Government | Education and Trainin

8. to establish or respond to a **legal claim**.

A unique identifier (a CASES21 code) is assigned to each student to enable the school to carry out its functions effectively.

STUDENT TRANSFERS BETWEEN VICTORIAN GOVERNMENT SCHOOLS

When a student has been accepted at, and is transferring to, another Victorian government school, our school transfers information about the student to that school. This may include copies of the student's school records, including any health information.

This enables the next school to continue to provide for the education of the student, to support the student's social and emotional wellbeing and health, and to fulfil legal requirements.

NAPLAN RESULTS

NAPLAN is the national assessment for students in years 3, 5, 7 and 9, in reading, writing, language and numeracy.

When a student transfers to another Victorian government school, their NAPLAN results are able to be transferred to that next school.

Additionally, a student's NAPLAN results are able to be provided to the student's previous Victorian government school to enable that school to evaluate their education program.

RESPONDING TO COMPLAINTS

On occasion our school, and the Department's central and regional offices, receive complaints from parents and others. Our school and/or the Department's central or regional offices will use and disclose information as considered appropriate to respond to these complaints (including responding to complaints made to external organisations or agencies).

ACCESSING YOUR INFORMATION

All individuals, or their authorised representative(s), have a right to access, update and correct information that our school holds about them.

ACCESS TO STUDENT INFORMATION

Our school only provides school reports and ordinary school communications to parents who have a legal right to that information. Requests for access to other student information must be made by making a Freedom of Information (FOI) application through the Department's Freedom of Information Unit (see below).

In some circumstances, an authorised representative may not be entitled to information about the student. These circumstances include when granting access would not be in the student's best interests or would breach our duty of care to the student, would be contrary to a mature minor student's wishes or would unreasonably impact on the privacy of another person.

ACCESS TO STAFF INFORMATION

School staff may first seek access to their personnel file by contacting the principal. If direct access is not granted, the staff member may request access through the Department's Freedom of Information Unit.

STORING AND SECURING INFORMATION

Our school takes reasonable steps to protect information from misuse and loss, and from unauthorised access, modification and disclosure. Our school stores all paper and electronic records securely, consistent with the Department's records management policy and information security standards. All school records are disposed of, or transferred to the State Archives (Public Record Office Victoria), as required by the relevant Public Record Office Standard.

When using software and contracted service providers to manage information, our school assesses these according to the appropriate departmental processes. One example of this is that staff passwords for school systems are strong and updated on a regular basis, consistent with the Department's password policy.

UPDATING YOUR INFORMATION

We endeavour to ensure that information about students, their families and staff is accurate, complete and up to date. To update your information, please contact our school's general office.

SCHOOL BIKE HELMETS

Parents are now able to purchase a new helmet from school (this can be put on your school account). These helmets cost $20 and will be clearly named and not shared.

Due to the popularity of our outdoor extreme sports, for both safety and hygiene reasons, we would like all students to have their own helmet.

Students are required to wear a correctly sized, securely fitted and adjusted helmet when participating in these activities.

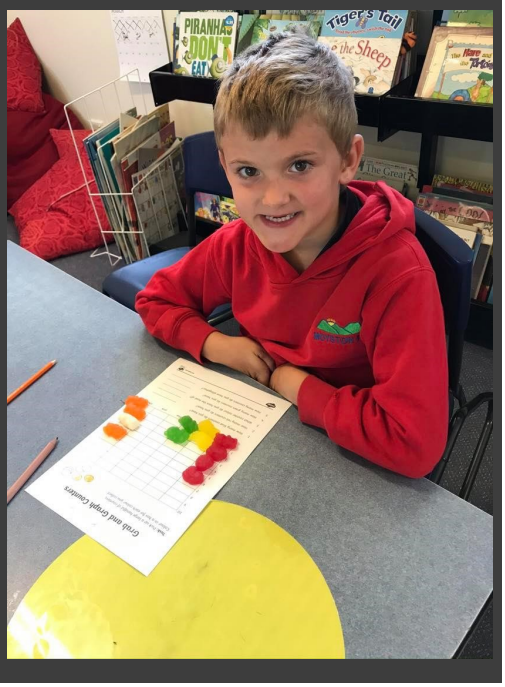
When students share helmets, they can wear the incorrect size or the students are adjusting them incorrectly and therefore they are unsafe.

Helmets will remain at school but will be the property of your child. When you child grows out of their helmet, you are welcome to pass these onto younger siblings.

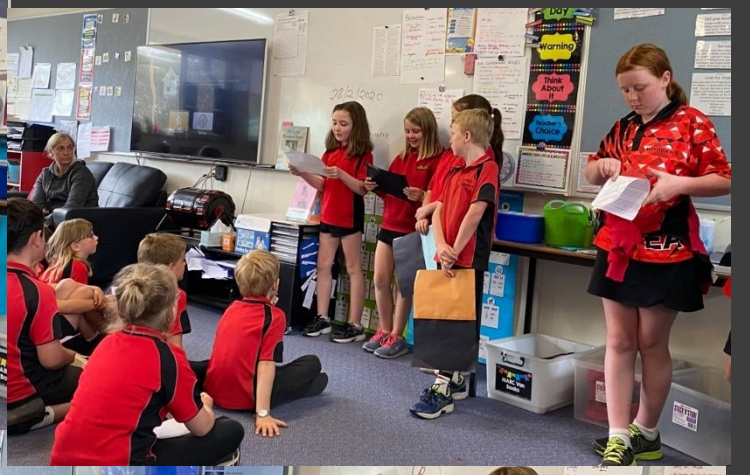
If you have any questions, please don't hesitate to talk to Anthony.

Last week we had a visit from the East Grampians Health Service Dental Service.

Students who had their teeth examined will receive a report from EGHS.



Student led School Assembly— every second Friday



Congratulations to Jasmin and Billy on their reading awards! Well done Koby for receiving the Resilience Award for showing outstanding resilience and determination at our recent swimming sports!

PITCH COMMUNITY BBQ!

Thank you to everyone who volunteered their time to work on the Community BBQ for Moyston PS over the long weekend!
It was a massive five days and couldn't be done without the teamwork of all of our community groups!

A huge thank you to Ross & Lydia Jackson for their incredible work organising and co-ordinating the entire BBQ!

EASTER HAMPER RAFFLE

Once again we will be holding a school Easter Raffle which is always a very successful fundraiser!

We are asking school families to please donate some Easter items for the hampers such as chocolate eggs, bunnies, decorations, biscuits, lollies etc.

Donated items can be left in the school office.

Tickets are $1.00 each.

Each family has been sent home 2 pages of tickets.

More tickets are available from the school office.

The raffle will be drawn on Saturday 11th April at the Moyston Easter Market.

SCHOOL GARDEN

Last week, with the assistance of Dean, our students worked hard in the garden to make 'Mr Cain's Breakfast!'

The students were hoping to build a hot compost which would be hot enough to cook an egg and heat up water in 24 hours.

After 24 hours, the egg was not quite cooked, but Mr Cain and Mrs Dowsett enjoyed a nice hot cup of tea and coffee using the heated up water!

INGREDIENTS

- Green grass clippings (a garbage bagful, or two)
- Some Hay or Chaff (a garbage bagful, or two)
- Chook, sheep, cow, horse, goat or alpaca poo, or a mixture (a few bucketsful)
- Waterweed from a dam or creek (a bucketful)
- Vegie or fruit scraps (a bucketful)
- Dirt (a bucketful from a garden)

- One fresh egg
- One 600ml plastic bottle of fresh water
