

Moyston Primary School

NEWSLETTER No. 268 18th June 2020

Moyston Primary School aims to develop in our students a purpose of belonging and an understanding of the importance of taking responsibility for their own learning. This is to take place in a caring learning environment that engages students to work towards achieving their personal best in an atmosphere of mutual respect and cooperation, and assisting them to become valued members of the community.

Today our senior class spent the afternoon helping Moyston Landcare plant out natives grasses throughout the Moyston Mine Walk!

For our Music program this week, Julia from the Song Room came to work with us. We played a warm up game which involved pitch and high and low tones.

Julia explained what dynamics are with high and low sounds and how to read it using percussion instruments.

We used the rain-makers that Mrs Dowsett's class made and homemade drums from our remote learning experience.

We explored decrescendos and crescendo.

Decrescendos means to go from low pitch to high pitch.

Crescendo means to go from high pitch to low pitch.
