Moyston Primary School

NEWSLETTER No. 270 30th July 2020

MOYSTON PS

Moyston Primary School aims to develop in our students a purpose of belonging and an understanding of the importance of taking responsibility for their own learning. This is to take place in a caring learning environment that engages students to work towards achieving their personal best in an atmosphere of mutual respect and cooperation, and assisting them to become valued members of the community.

The bikes are getting a bit of rest at school at the moment as skateboards and scooters are the flavour of the month!

2020 SCHOOL CAMPS UPDATE

Grade 4,5,6 ~ Due to the current COVID-19 pandemic, the Grade 4-6 camp to Melbourne scheduled for later this year has been cancelled. However, the 4-6 students will still attend a camp at an alternative location and format.

Grade 2-3 camp to Cave Hill Creek in the first week of Term 4 is still going ahead at this stage. If the COVID –19 situation worsens, this may have to be changed.

Prep, Grade 1 school sleepover at this point in time, will still take place later this year.

**Please note that all camps and excursions are subject to change at any time. We will keep you updated as information comes to hand.

MUSIC

Last fortnight during Music, the students in the junior room had lots of fun with the 'A Tooty Ta' song.

There were lots of giggles while attempting to follow the lyrics and movements!

The students were very excited to be able to test out the sounds and learn some rhythms with our new musical instruments last week!

Students also used their iPad's to logon onto the Chrome Music Lab ~ Kandinksy where they were able to draw shapes to make sounds!

BREAKFAST CLUB!

The School Breakfast Club program offers free and healthy food for students in 1,000 Victorian government schools.

Research shows that a child's ability to concentrate in class, self-regulate and learn is negatively impacted if they are hungry.

Building on the success of the 2016-19 School Breakfast Clubs program, which began implementation in 500 Victorian government primary schools over 2016, the expanded program seeks to further support Victorian students and their families.

The Victorian Government has continued its partnership with Foodbank Victoria, the Victorian branch of Australia's largest food welfare agency in Australia, to deliver the program to all schools across Victoria.

We will be running the program initially on Wednesdays and Fridays (subject to change).

There is NO COST to the students.

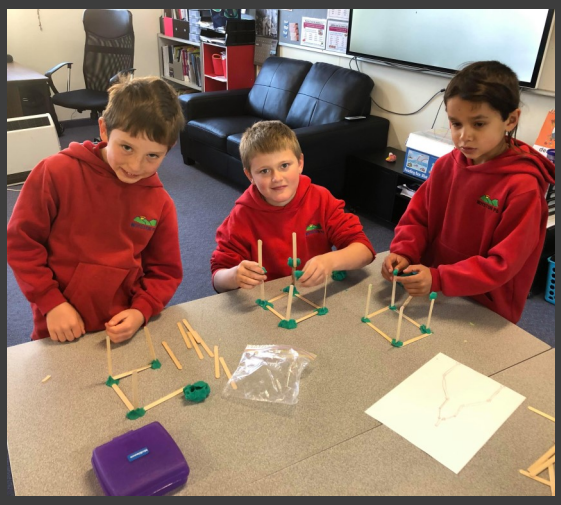
If anyone is able to help with the program on these days, please let Anthony know.

Breakfast in the student kitchen!
Open to all Moyston Primary school students

WEDNESDAYS & FRIDAYS
8.20am-8.45am

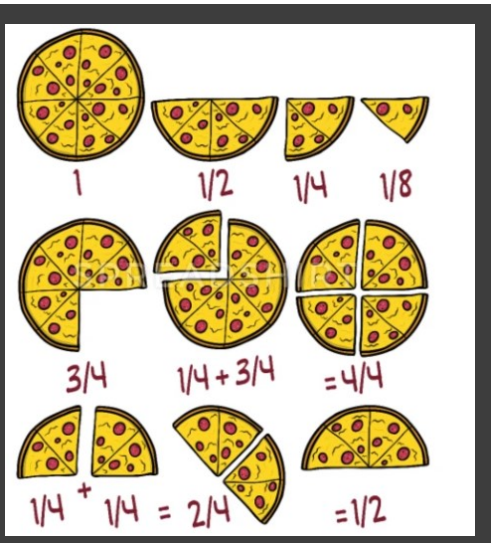
STEM CHALLENGE!

Students were challenged to see who could build the tallest tower in 20 minutes!
The only items they could use were Icey pole sticks and playdough!



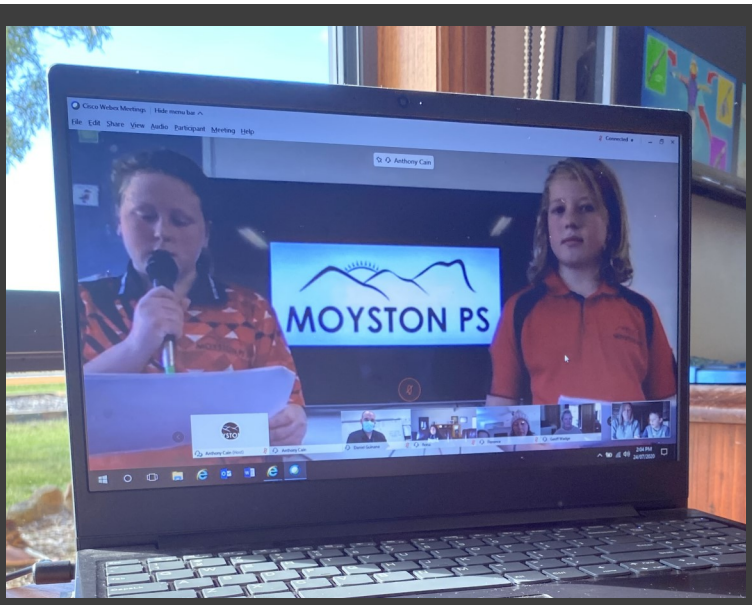
PIZZA!

Students at Moyston PS have been looking at fractions over the last couple of weeks.



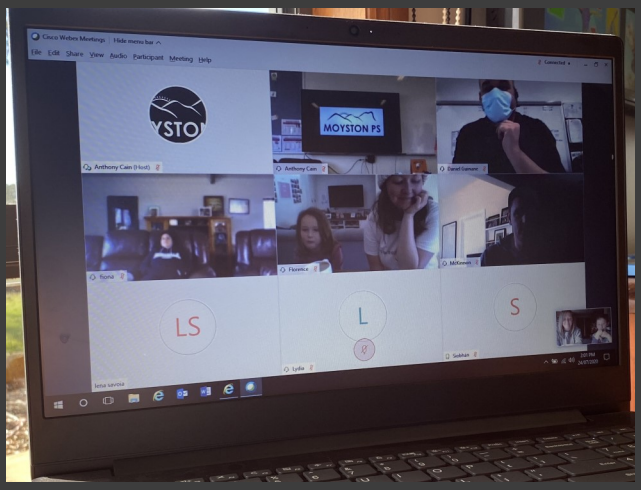
One focus was around halves, quarters and eighths with students using pizza as an example. To consolidate their learning, students in Mrs Dowsett's classroom got to make and eat their own pizza for lunch!

WEBEX SCHOOL ASSEMBLY



Thank you to everyone who logged into our live school assembly last Friday.

Well done to our hosts Lily and Rhys, and thank you to all of our student presenters.



Our next live assembly will take place next Friday 7th August at 2pm.

Please logon to the school website www.moystonps.vic.edu.au

Select the 'School Assembly' link to launch Webex.
