Yesterday the school children went for a walk to see the house that the Marshall family had moved across Moyston.

The house was moved on the back of a truck which the children found fascinating.

## AFL PLAYER CLINIC — MONDAY

This year a Primary school football clinic will be conducted by members of the Essendon Football Club in Ararat on **Monday 13th May**.

Up to 14 players will be coming to Ararat for the day as part of the AFL clinic program.

We will be visiting the Art Gallery in the morning followed by the football clinic at 1pm.

Children can wear their favourite footy team colours if they wish to.

## MAGAZINES

The school is after donations of any old magazines that you may have at home.

The children often use clippings for art projects and other school work.

## MARC MCBRIDE

Marc McBride has illustrated over fifty book covers and countless magazines, as well as producing artwork for advertising campaigns. He is best known for his illustrations in the Deltora Quest series, written by Emily Rodda.

Mark's visit to the school yesterday was sponsored by the Lions Club Literacy program.

Mark air brushed a picture of a dragon in front of the children. He also airbrushed parts of the children's drawings. Mark then showed the children how to draw a dragon.

## COMMUNITY DINNER

Thanks to all of the helpers for our community dinner last week.

The night was a great success with the school raising over **\$800!**

We had a lot of volunteers helping to chop up and prepare food, serve, sell raffle tickets, clean up. The more people that help with these events, the less work it is for everyone and the smoother the nights run. The school and fundraising committee really appreciate everyone's support.

## ENDURANCE HORSE RIDE

Moyston is hosting the Endurance Horse Ride this weekend. The school has been asked to prepare the dinner for **SATURDAY NIGHT**. We are asking for volunteer helpers please.

**CHOP UP** is tomorrow (Friday) morning 10am at the oval. We will also need assistance on the night to help prepare food, sell tickets, wash dishes etc. If you can spare any time at all it would be most appreciated. Please see Jill, Deanne or Kelly if you are able to help.

The school requires **SLICES** for the Endurance Horse Ride dinner on Saturday night.

If you are able to make a slice, can you please bring it to the oval on Friday morning or Saturday evening. Or pass it onto Jill, Deanne or Kelly. Thanks!

## WOOLWORTHS EARN & LEARN

April 8 saw the start of the Woolworths Earn & Learn sticker program  
which helps schools acquire valuable resources by cashing in the  
stickers.

We have a collection box placed at the front of Ararat Safeway and  
also one in our front porch. Please collect these on behalf of our  
school. Last year we collected approximately 20,000 and we would  
like to do even better this year.

## COMPUTER CLASSES

The Introduction to using computer classes has commenced and is  
going well. There are two more classes left. There are still spots avail-  
able if anyone wishes to attend the last two classes. The last two clas-  
ses will be a revision of everything covered so far and also a look into  
Social media. Please see Anthony for further information.

Our School received four new laptops for assisting with the program!  
We have also purchased a further five laptops from money raised at  
our Community dinners.
