

## BMX RACING

On Tuesday, most of the school headed to Warrnambool for the Victorian Schools Cycling Cup. It was a great day and our students were praised for their persistence and politeness from Warrnambool members, coaches and the organisers from Cycling Victoria. Moyston Primary School is coming equal 3rd out of 135 schools in the VSCC! Well done everyone!

"We had a practice, we had to pedal over the jumps around the corner. I came first so I got a gold medal. IT WAS AWESOME!" - Jake

The jumps were a lot bigger than the school jumps but that made it more exciting!! After the races we went to the beach and had a great swim to cool down after a hard days racing!" - Trinity

"I did not know what to do at first and I was a bit scared of the starting hill, but it was fun in the end. The best part was riding the BMX bikes even though it was hot." - Lachie

"The best part of the day was when we raced because it was fun going over the jumps and around the corners." - Charlie

"When we got there we set the bikes up and got our gear on, then we went to practice on the track. There were lots of jumps on the track" - Bella

"On Tuesday I went to Warrnambool and raced BMXs. We started with practice, I had a massive crash IT HURT! I raced in four races and made it through without another fall. I got a first medal." - April

On Tuesday I went to the BMX. It was great fun and I came second. I went to the beach after to cool off." - Aiden T

## CLUSTER DAY

Our next Cluster Day will be held at Moyston Primary school next Friday 13th September. We will be joined by Maroona and Buangor Primary Schools.

The students will be participating in Jump Rope For Heart which they have been practicing hard for. This day will be an **OUT OF UNIFORM DAY**.

Each year Heart Foundation Jump Rope attracts over 400,000 school students, in over 2,000 schools around the country - we've given Australian schools enough rope to stretch from Australia to Hawaii!

Heart Foundation Jump Rope for Heart is about teaching school children how to keep fit and healthy. Conducted by school teachers, children learn physical activities like rope-jumping to improve their strength, gaining confidence and stamina to extend their physical abilities elsewhere.
